Lets Talk About Wee, Poo and the Toilet!

Understanding and supporting your neurodivergent child's toileting

The Children's Bowel & Bladder Charity

- **Part One:** ERIC will help you to understand how the bowel works, what can go wrong and what to do about it.
- **Part Two:** Focussing on children with additional needs. ERIC will encourage us to use our knowledge of how the bladder and bowel work to shape toileting programmes.

It is essential to follow the learning journey to attend both part 1 & 2
No diagnosis needed.

Part 1 : Tuesday 14th March 12:00-14:00
