Our ref: SCPN Yr 5/6 Sex Ed 2024

June 2024

Dear Parents and Carers

Every year we must provide Personal, Social and Health education lessons for all children in Year 5/6. This year they will be delivered by an accredited RSE practitioner over this half term. We also have a box for children to post any questions that they wish to be answered. All questions are read out, and where appropriate, are answered in group sessions. However, we do follow our rules; if there are any questions which we think are not appropriate, we ask that children ask the question at home. The lessons we teach cover the following areas:

Year 5 will cover:

- Puberty
- Keeping clean
- Different relationships.

Year 6 will cover:

- Puberty and physical changes – We will work in groups and then in single sex groups
- Relationships – in this we discuss all relationships and how actions have consequences
- Reproduction, Pregnancy and Sexual Intercourse.

The lessons will take place on the following dates:

Year 5 Tuesday 9th July 2024 and Monday 15th July 2024

Year 6 Monday 8th July 2024 and Tuesday 16th July 2024

It is important that our children learn about sex and relationships at an age appropriate level, from a reliable source as this shared knowledge protects them, and keeps them safe. You do have the right to remove your child from parts of the Sex Education programme if you wish. However, sessions covering puberty and relationships are statutory. If you have any questions about this or would like to withdraw your child, please leave a message with the office and we will get in touch with you.

Understanding Relationships and Health Education in your child's primary school: a guide for parents
