

At Sharps Copse, our RE curriculum enables pupils to explore a wide range of beliefs, cultures, and ways of life through inclusive, engaging learning experiences. We strive to ensure that every child feels safe, valued, and confident as they encounter different faiths and worldviews. By nurturing resilience and self-confidence, we support children in developing into respectful, thoughtful, and kind individuals. Our curriculum supports pupils with the knowledge and vocabulary they need to participate in meaningful discussions, while also encouraging them to form and express their own opinions and beliefs. At Sharps Copse, we follow the Living Difference syllabus for RE, which encourages children to reflect on their own lives in relation to what it may mean to live with a religious orientation. It also introduces them to a variety of other ways of life, including those shaped by non-religious perspectives. Through this approach, pupils develop understanding, empathy, and curiosity about the world around them, preparing them to contribute positively to society.
